Dear Jeff

Finnish Patent Application No. 893522
Philip Morris Products Inc.
Your File: PM-1315 Our File: 30588

Thank you for your letter of 16th March 1992. I instructed our Finnish associates accordingly.

I now enclose a copy of the response and amendment as filed. I have not been sent an English version of the amended claims, neither are the amendments mentioned in the reporting letter, but it appears to me that the only change has been the omission of the last line of Claim 1, which contains a reference to "fluid communication" which the Examiner particularly disliked. I enclose a copy of the first page of the amended claims sent to you on 4th March, in which the present amendment is now shown.

Yours sincerely

J.H. Bass
